CGB Enterprises, Inc.

Richard Ruebe, Group CEO
Illinois River Energy & GTL Resources

March 21, 2011

Dear Kevin,

We too are saddened by the loss of lives and the damages caused by the three major catastrophes in Japan. Our deepest condolences are extended to everyone impacted by this tragic event. Illinois River Energy has many friends and business associates in Japan that purchase our DDGS. We have hosted many visitors at our Illinois River Energy plant through the past several years.

We believe in the resiliency of our Japanese friends, and are committed to help. The Illinois River Energy family would be delighted and honored to contribute \$10,000 to the "CGB Enterprise – Japan Disaster Relief Fund" which your company has so compassionately set up to assist in this rebuilding effort.

Dale Jackson from Illinois River Energy will be in touch with Vic Heinold to ensure our financial donation is expeditiously deposited into your relief fund. Once again, we are happy to help in the rebuilding effort.

Warmest Regards,

Richard Ruebe, Group CEO
Illinois River Energy & GTL Resources

Dear Friends and Colleagues:

We are all keenly aware of the devastation in Japan caused by the recent earthquake and tsunami. It is heart-wrenching to watch the news reports of such destruction to so many. Our hearts and deepest condolences go out to everyone impacted by this tragic event.

While the resiliency of the people of Japan is apparent, their needs are clearly significant. Accordingly, I hope you will join in this effort to provide assistance to our Japanese friends and their families. Because of our geographical separation and the on-going challenges faced by both shareholders' staff in Japan, it is difficult to determine specific family needs. So, we plan to direct funds to prefectural level charities in northeast Japan for further distribution to its local members based on need.

In order to accomplish this we have established the "CGB Enterprise - Japan Disaster Relief Fund." This fund will be administered by the Northshore Community Foundation which is a qualified 501(c)(3) charitable organization. They are in the process of setting up a web link, such that you can make contributions on line via a credit card, or the donation can be made via a mailed check.

You can make your tax deductible donation by credit card directly from the CGB Enterprise - Japan Disaster Relief Fund link at www.northshorefoundation.org website.....or if you prefer to send a check, make the check payable to:

Northshore Community Foundation with the notation in the memo: **CGB Enterprises - Japan Disaster Relief Fund**

And mail it to:

Northshore Community Foundation

103 Northpark Blvd., Suite 201

Covington, LA., 70433

I hope many of you will join me personally in donating funds to this worthy cause. Donations are not limited to CGB employees.....any individual or company can donate to this fund. Please keep our Japanese friends and their families in your thoughts and prayers and thank you very much for your generosity.

Sincerely,

Kevin Adams
